

Ron-Son's Torch Repairs & Sales Ltd.

Pricing in effect until May 31, 2020 or while quantities last. All prices are subject to change and may vary without prior notice.

New from Miller

Syncrowave® 300

907782

For fabricators who need more TIG welding productivity and lower operating costs, new Miller Syncrowave machines are the energy efficient TIG welding power sources that make it easier for any welder to get more work done.

~~\$6,954.69~~

\$5,803.41

Deltaweld® 500 Intellx™Pro

951808

MOST POPULAR!

The manufacturing solution for welders of all skill levels, now offering pulse capabilities in an integrated package.

~~\$14,851.72~~

\$12,393.17

Arch Reach

ArcReach® SuitCase® 12

951729

Every year, outdated welding equipment can cost you thousands of dollars and hundreds of hours of productive time. Step up to Miller XMT 350 FieldPro systems with ArcReach technology — and improve your bottom line!

~~\$4,096.61~~

\$3,418.46

ArcReach® Smart Feeder, Bernard™ PipeWorx 300 Amp Gun Pkg

951733

This system automatically shifts all controls to the Smart Feeder including weld process selection, material type and wire diameter, gas type, wire feed speed and voltage.

~~\$9,528.90~~

\$7,951.48

Wire Feeders

20 Series Feeder Basic

301499

Simple and cost-effective four drive roll wire feeder for industrial manufacturing and fabricating.

~~\$2,136.16~~

~~\$1,782.54~~

20 Series Digital, Q3015, Drive Roll Kit

951780

Simple and cost-effective four drive roll wire feeder for industrial manufacturing and fabricating.

~~\$3,197.48~~

~~\$2,668.17~~

S-74S (Single)

951196

Standard, simple feeder for most heavy-industrial applications.

~~\$3,166.17~~

~~\$2,642.05~~

S-74D (Single)

951198

Standard, simple feeder for most heavy-industrial applications providing increased accuracy and control of the most common weld parameters.

~~\$4,445.23~~

~~\$3,709.36~~

Spoolmatic™ Pro 30A Spool Gun

301148

The Spoolmatic Pro spool gun is available in 15- or 30-foot (4.6 or 9 m) cable lengths and features a built-in gas valve, rotatable canister, and isolated common knurled drive roll.

~~\$2,606.39~~

~~\$2,174.93~~

Spoolmatic™ 30 ft.

130831

The choice of professionals for exceptional aluminum welding results in industrial or commercial applications.

~~\$2,041.38~~

~~\$1,703.46~~

Multiprocess

Dimension™ 650 380/460 V ArcReach™
907617001

Developed for harsh environmental conditions and output requirements that range from power-intensive to precise. ArcReach provides remote control of the power source without a cord – saving time and money.

~~\$9,941.45~~

\$8,295.74

XMT® 350 FieldPro™, Tweco®
907730

The Spoolmatic Pro spool gun is available in 15- or 30-foot (4.6 or 9 m) cable lengths and features a built-in gas valve, rotatable canister, and isolated common knurled drive roll.

~~\$8,707.85~~

\$7,266.35

XMT® 350 FieldPro™ with Polarity Reversing, Tweco®, ArcReach® Smart Feeder, Bernard™ PipeWorx 300 Amp Gun Pkg

951739

Outdated equipment threatens your productivity, profitability and safety. XMT® 350 FieldPro™ with Polarity Reversing Systems have industry leading technology with no need to manually swap polarity or cables/hoses between processes. The 'Quick-Select' technology automatically selects the welding process, the correct polarity, cable outputs and welding parameters. Optimized Stick and TIG arc performance is specifically designed for open root pipe welding while reducing training time and increasing quality.

~~\$19,424.18~~

\$16,208.71

Engine Driven

Trailblazer® 325 LP, GFCI w/ Excel™ Power & ArcReach®

907775001

Trailblazer® welder/generators deliver unbeatable arc performance providing the smoothest, most stable arc in the industry. The Trailblazer exclusive Auto-Speed™ technology delivers superior runtimes, increased fuel efficiency, and improved welder/generator performance. No other compact machine in the 300-amp class delivers more welding power or more auxiliary power with better fuel efficiency and less noise — for productive, profitable, quieter jobsites.

~~\$11,002.99~~

\$9,143.08

Pricing in effect until May 31, 2020 or while quantities last. All prices are subject to change and may vary without prior notice.

Engine Driven

Big Blue® 400 Pro

Designed with the professional in mind, the Big Blue 400 Pro is the best for ease of use, reliability and fuel economy.

Big Blue® 600 Air Pak™

907750

For field-based work that requires single-operator power for welding, carbon arc gouging, auxiliary power, or running an air compressor to perform critical repair and maintenance functions, the Big Blue 600 Air Pak is the most reliable, versatile machine available to keep your worksite equipment fully functional and make you more productive throughout the day. Ultra-reliable industrial rotary screw air compressor. 30,000-hour life expectancy. Independent on/off control for applications not requiring compressed air — allows greater fuel savings and longer compressor service intervals.
